Subject: call from E&E on CARB letter

Hey there,

Our Air Division director got a cold call from Maxine Joselow at E&E, seeking to find out if career staff knew that the Administrator would be sending the letter to Mary Nichols at CARB earlier this week. She said she'd need to check with the press office on protocols and get back to her. Maxine's number is (202) 737-4369 – do you all want to follow up?

Bill
